## Provost's Office Joins Faculty Exchange Center

The Provost's Office has taken an institutional membership in the Faculty Exchange Center which will enable interested faculty members to explore possibilities of exchange with colleagues in North America and overseas where the language of instruction is English.

The Faculty Exchange Center serves as a clearinghouse and publishes a directory containing the names of instructors as well as their institutions, rank, and field of specialization. The directory also mentions the region where the faculty members prefer to teach and travel, whether they are retired and if they are willing to exchange their house.

From a review of the directory, faculty members may match themselves with one or more colleagues and initiate correspondence with them to arrange an exchange. When these arrangements are completed, further efforts of the persons involved, working through their Dean and Department Chairman can be undertaken to complete a formal exchange agreement.

Interested La Salle faculty members may borrow the FEC Directory and the supplemental Housing Exchange Directory by contacting Mr. Gerald Johnson, Administrative Assistant to the Provost, at extension 1065. Faculty members wishing to enter their own listing in the Directory may also obtain registration forms from Mr. Johnson. Because of the College's Institutional membership, there is no charge for listing to La Salle Faculty.
